Our New Deal restoration fund was recently renamed after a long time member, volunteer and friend of Genesee Valley Council on the Arts, Paula Henry who passed away last summer. To honor her memory and the endless amounts of work she put towards the New Deal collection, we renamed our restoration fund in her honor.

Hi Everyone,
 I have had the fortunate opportunity to work here at the art center for a whole year now and be involved in all the changes going on here.

We changed our name back to Genesee Valley Council on the Arts, started art classes for high school students and work shops for our adult artists. We are working on more things for our members and their families to do here, like summer art camp, family night, art classes for adults and more. We are expanding the gallery space by taking out the extra kitchen, unifying the galleries and creating a better flow, come check it out!

Our membership has more than doubled in the last year and continues to grow. I would like to thank everyone for becoming part of the art center, we could not exist without you. So THANK YOU!!!!

As we become a more community based art center, we hope you will take advantage of our facility and join in the fun. We have Yoga, Book Club, and a Knitting Circle that currently meet here. If you have a group looking for a place to meet especially artists give us a call.

We need help from our members to recruit new members. Please tell your friends or people whom you think might enjoy being a member here, the more members we have the more we can do for you and the community. I have attached below a membership form that can be cutout and mailed in or go to our website www.gvartsCouncil.org/member/ Help us become the biggest and best art center in New York. Have a great Summer,
 David

"Blood Drive" The Red Cross & GVCA are teaming up for a blood drive at the newly renovated Auditorium at 1 Murray Hill Drive, Mount Morris on July 17th. We need both volunteers & donors for the event! Please email Betsy if you are interested. betsy@gvartsCouncil.org

CALL FOR MEMBER ARTISTS for a mini show September 1st thru October 6th, 2018 in the new "Kitchen Gallery" Registration due August 17th Members are invited to submit one work of art to be exhibited. There is no exhibition fee, but you must be a member of GVCA. Contact Betsy at betsy@gvartsCouncil.org for more info.

Dear Members, Neighbors, Artists, and Friends,

What a great year 2018 has been and continues to be! More and more of you are supporting us, your local arts center, giving us the ability to bring our community better arts programming more often. We hope you check your email frequently and read our monthly e-blasts to keep up with the activities going on at the arts center! And, please, if you would like a certain workshop, class or lecture offered, let us know! We are always open to new ideas and encourage our community to contact us anytime.

In new news, we are excited to announce the opening of our newest and fourth gallery, "The Kitchen Gallery" and as you may have guessed, it is where our main kitchen used to be! To accommodate our fast growing network of artists and community partners, it was clear that more exhibit space was needed. We think you will be pleasantly surprised by the changes made and hope you will stop by very soon to see it. We will first be putting in an expanded selection of New Deal Art, ready for the public during our next opening reception on Thursday, June 14th from 5p-7p. We hope to see you very soon and thank you once again for your continued support! It is integral to our operation and we couldn't do it without you!

Thank you again and Happy Summer!

Sincerely,

 Betsy Harris
